Case No. 24-cv-07592-JSC

**ORDER RE: ATTORNEYS' FEES ON  
MOTION TO REMAND**

On December 19, 2024, the Court granted Plaintiffs' motion to remand and Plaintiffs' accompanying request for attorney's fees and costs. (Dkt. No. 15.) *See* 28 U.S.C. § 1447(c) ("An order remanding the case may require payment of just costs and any actual expenses, including attorney fees, incurred as a result of the removal."). The Court ordered the parties to meet and confer in an attempt to resolve the amount of attorneys' fees, and only if they could not reach agreement was Plaintiffs' counsel to file a supplemental declaration detailing the attorneys' fees incurred as a result of preparing, filing, and arguing the motion to remand. (Dkt. No. 15 at 6-7.)

On January 16, 2025, Plaintiffs' counsel filed a supplemental declaration, requesting the \$20,932.50 billed to the client plus an additional 3.1 hours—to be billed at counsel's rate of \$350 per hour for the case—for time spent preparing copies of bills and conferring about attorneys' fees. (Dkt. No. 18 1-3, 8-11.) Defendant has not filed a response to the supplemental declaration, and the January 23, 2025 deadline to do so has passed.
